Re: *BellSouth Tariff to Withdraw Smartline Service*
Docket No. 01-00144

Dear Mr. Waddell:

This is to notify you that BellSouth has discovered an error in the proprietary revenue information filed in connection with this tariff on February 13, 2001. That filing incorrectly attributed approximately \$10,000 in revenue for Smartline Service. As stated in the Executive Summary to the tariff, there are no customers in Tennessee currently subscribing to Smartline Service. Consequently, there is no revenue for this service. To clarify, BellSouth is not requesting any "headroom" as a result of this tariff filing since there is no current revenue for this service.

We apologize for the inconvenience.

Very truly yours,

Guy M. Hicks
